Thursday, P. M. Stocks generally went still lower to-day and U. S. Bank and Hartem seem to have a downard impatus that nothing can check. The Bank sold at 91, a deline of 14 per cent. since yesterday; Harlam sold at to a decline of the per cent. Every one seems to have lost confidence in both these stocks. A reaction, however, to some extent will probably take place. New-Jersey declined 11, Canton Co. 1, Pater-

Second Edition this day published.

THE PUBLISHESS beg leave to call the attention of the public to the following ausolatited notices of the Elementary Geology, from gentle men emanently qualified to judge, of its merits:

From Prof. B. Sil man, L.L. D. of Yale Coilege.

"Lam great's in tault in not having auswered your kind lefter of Aug. 30th, with a copy of year valuable work on Geology. I took the work with me to the West in the expectation of looking it over and although I failed to read it satisfactorily, I glassed at it enough to convince me of its high value, and shall recommend it in my Lectures."

[From Prof. J. W. Webster, of Harvard University]

"Thave just received a copy of your "Elementary Geology" for which I beg you to accept many thanks. I am thankfull that you have found time to present us with so excellent a view of the science and shall recommend the work warmly to the class attending my Lecture.

Lectures."

From Prof. C. Dewey, of Rochester, New-York.

To introduced your Geology into our Academy. Fart of it is hard reasoning for minds not preity well matured. Stiff it is so vasily better than any thing in the English language with which I am acquainted, that I boast over it. It is admirable for the College quanted, that I boast over it.
